**HMSHOST EUROPE OPENS NEW RESTAURANTS
AT STOCKHOLM'S ARLANDA INTERNATIONAL AIRPORT**

Segafredo, illy debut at leading European gateway

STOCKHOLM, SWEDEN, DECEMBER 15, 2005 –HMSHost Europe, part of the Autogrill Group, one of the world's largest providers of food, beverage and retail concessions in the travel industry, proudly announces the opening of its first restaurants at Stockholm's Arlanda International Airport.

Two **Segafredo** kiosks and the **illy Coffee Bar/Café** are now open. The illy concept, located in Terminal 4, is the first illy Café in Sweden and features illy's original Italian coffee served in a contemporary atmosphere. Italian snacks, juices, wine and beer are also available. The Segafredo kiosks, located at the ends of concourses 5A and 5B, offer high-quality branded coffee, sandwiches, baked goods, mineral water, beer and wine. A contemporary coffee bar at Pier F and a Terminal 5 coffee shop are also open for business.

Early next year, HMSHost Europe plans to open three additional units. A **Sbarro Pizza and Pasta**, featuring a variety of dishes prepared according to time-honored family recipes, and two **Grab and Fly** locations. Designed especially for the "on the go" traveler, Grab and Fly will serve a variety of sandwiches, salads and drinks—all prepared for easy carrying to the gate or the aircraft.

A leading European gateway, Stockholm Arlanda Airport serves more than 16 million passengers annually, transporting them to more than 170 destinations worldwide. More than 60 airlines have operations at the airport.
