HMSHost Brings More Popular Dining Options to Copenhagen Airport with New Contract Award

BETHESDA, MD – HMSHost Europe - part of the Autogrill Group, a world leader in airport shopping and dining - has been awarded an additional seven-year contract to operate and redevelop four food and beverage locations at Copenhagen Airport. Recently, HMSHost officially opened three other food and beverage locations at Copenhagen Airport, including Starbucks Coffee, Ciao and Burger King.

Walter Seib, Managing Director of HMSHost Europe said "HMSHost is grateful to Copenhagen Airport and we thank them profusely for this additional opportunity. We are extremely proud and excited to start operating four more concessions at Copenhagen Airport so shortly after the initial opening. With these new restaurants, we now have the opportunity to showcase our commitment to world class dining facilities."

HMSHost plans to introduce a variety of concepts to the current food and beverage concession plan that will be a welcome addition to airport travelers. They include:

- **Starbucks Coffee:** This second airport location will offer branded gourmet coffee beverages, a wide selection of pastries, sandwiches, salads, snacks, and fresh roasted coffee by the pound.
- **Heineken bar:** A contemporary bar that will offer a variety of international drinks and the typical Danish delicatessen-like smørrebrøds – the beloved open faced sandwiches - in a stylish Heineken atmosphere.
- **Nørrebro Bryghus:** A local branded microbrewery that will pour popular handcrafted Danish beers.
- **Segafredo Coffee Bar:** The popular coffee concept will feature the Italian coffee brand Segafredo as well as a full complement of sandwiches and snacks.
