Travelers Can Now Donate to Hurricane Sandy Relief Efforts at Participating Airport and Motorway Retail and Dining Locations

BETHESDA, MD—As those in our communities hit by Hurricane Sandy try to recover, there are now several additional opportunities for travelers wishing to help in the recovery effort to donate. HMSHost's retail and dining locations across the 100 airports and 110 motorways in which it operates in North America are collecting donations for the American Red Cross to assist those affected by the hurricane.

Travelers who would like to contribute should look for HMSHost's relief effort digital signage at participating locations, including additional signage at cash registers. Customer representatives will be available onsite to provide donation assistance. Every dollar raised will go directly to the American Red Cross's Hurricane Sandy Relief Effort, and donations are tax deductible.

HMSHost's participating locations will be collecting donations for the American Red Cross through the holiday season.
